MISS TEEN EARTH AND LITTLE MISS EARTH PHILIPPINES 2014

The President of Captured Dream Entertainment Productions Inc. and the pageants' trademark owner have announced the Search for the *Miss Teen Earth and Little Miss Earth Philippines 2014* which bears the slogan *Our Nature, We Nurture*.

The Pageant aims to:

1. reach out to young female Filipino youth and inspire them into thinking that beauty is not only a physical attribute but also an act of love;
2. educate them about the benefits of earth preservation and conservation; and
3. mobilize them to act with love and purpose in creating a cleaner and greener environment.

To qualify for *Miss Teen Earth Philippines*, the candidate should be a Filipino citizen, 13 to 17 years old, single and a resident of the town or city she will represent for at least a year.

Contestants for *Little Miss Earth Philippines* should be four to nine years old, currently enroled in school or a home-based study program, and a resident of the town or city she will represent for at least a year.

In this connection, the Regional Pageant in different municipalities nationwide will be conducted. The regional contestants will be competing in four categories: (1) casual wear; (2) formal wear; (3) regional costume made of recycled or organic materials; and (4) question-and-answer portion. Regional winners will vie in the national competition.

One non-finalist will have a chance to compete for the title as a wildcard candidate. The selection of the wildcard contestant will be done through online and text voting. The winners together with the finalists will be announced during the grand pageant night in May.

Each of the winners of Miss Teen Earth and Little Miss Earth Philippines 2014 will receive P 250,000.00 cash and a talent contract courtesy of Captured Dream Entertainment Productions. Miss Teen Earth will also receive funding for her proposed environmental project in her community.
