### **RE: Filipino students win at Intel International Science and Engineering Fair in San Jose**

---

Good day!

We are proud to announce that four of the Philippine delegates to the recently concluded Intel International Science and Engineering Fair in San Jose, CA have been awarded prizes for their research projects.

MarcArthur Jordan Irlandez Limpiado from the Philippine Science High School Eastern Visayas Campus received a Fourth Place Grand Award in Microbiology. Meanwhile, the team of Marc Mapalo, Maria Clara Isable Sia, and Jean Reni De Guzman of the Philippine Science High School Eastern Visayas, took home a Fourth Place Grand Award in the Life Sciences category.

Intel with DepEd Officials will be holding a press conference this Thursday to share with the rest of the country the great achievement of these very bright and promising students.

We would like to invite you to join us on this special occasion.
