2ND PHILIPPINE ENVIRONMENTAL SUMMIT OF GREEN CONVERGENCE

Green Convergence for Safe Food, Healthy Environment and Sustainable Economy, in partnership with the Department of Environment and Natural Resources, will conduct the 2nd Philippine Environmental Summit in Cebu City from February 20 to 22, 2018.

The summit aims to:

1. disseminate information to the public on the developments, achievements, challenges, programs, and projects in the areas of food safety, environment and natural resources protection, and sustainable economy;
2. energize, strengthen, and level up breakthroughs and innovations through greater convergence among the different sectors of society;
3. formulate recommendations on food safety, environment and natural resources protection and conservation, and sustainable economy; and
4. showcase convergence initiatives between and/or among government, civil society, business, and other sectors of society on food safety, environment and natural resources protection and conservation, and sustainable economy.

The target participants are school administrators, teachers, members of the academe, learners, civil society organizations, leaders of government and business, environmentalists, and other interested individuals and institutions.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
