10th INTERNATIONAL CONFERENCE ON TEACHER EDUCATION
OF THE UNIVERSITY OF THE PHILIPPINES
COLLEGE OF EDUCATION

The University of the Philippines (UP) College of Education will conduct the 10th International Conference on Teacher Education with the theme Educational Equity Through Inclusion from August 23 to 25, 2018 at the SEDA Vertis North, Quezon City.

The conference aims to:

1. underscore the role of education as an agent for genuine social cohesion and equity which require breaking barriers and narrowing gaps between and among learners, families, schools, and other communities;
2. advance the view that inclusive education is all-embracing, and that it is a comprehensive process of change across the education system through which the diverse needs of all learners are addressed and responded to, regardless of their social, economic, cultural, linguistic, physical, or other contexts (UNESCO, 2013); and
3. problematize how inclusive education may be fostered through teacher education and professional development.

The target participants are teacher educators, researchers, policy makers, administrators, students, and allied professionals from public and private sectors.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
