DepEd ORDER
No. **102** s. 2010

**SUBMISSION OF PRIORITY LISTS OF SCHOOL BUILDINGS FOR FUNDING
UNDER THE BALANCE OF CY 2010 SCHOOL BUILDING PROGRAM
BUDGET FOR AREAS EXPERIENCING ACUTE
CLASSROOM SHORTAGE**

To: Regional Directors
Schools Division/City Superintendents
All Others Concerned

1. The balance of CY 2010 DepEd School Building Program (SBP) appropriations shall be utilized to address the acute classroom shortages and requirements of schools belonging to the priority red and black color coded schools of the Basic Education Information System (BEIS). For the purpose of prioritization, computation for funding allocation per legislative district (or per schools division) was based on 1:45 single shift classroom-student ratio.
2. In preparing the final list of priority schools, the concerned offices shall take note of the long list of red and black schools drawn from the updated Instructional Room Analysis (IRA) of the BEIS (SY 2009-2010), the budgetary ceiling for each region, and the regionalized costing for the different project components (Annex "B"). The guidelines on the identification of recipient schools under this program are enclosed in Annex "A". Individual allocation list per legislative district/schools division shall be provided by the regional office through the Regional Physical Facilities Coordinators (RPFC) or by the Physical Facilities and Schools Engineering Division (PFSED) of the Central Office.
3. The PFSED shall draw up the initial priority list from BEIS data and forward the same to the Regional/Division Physical Facilities Coordinator for validation of the proposed school recipients and final approval by the Schools Division Superintendent. Allocation for both elementary and high schools shall not exceed the budgetary ceiling of the legislative district/schools division.
4. The corresponding projects shall be implemented following the Revised Implementing Rules and Regulations (IRR) of Republic Act No. 9184.
5. The schools division/city superintendents shall be responsible for ensuring that the congressional representatives of their respective divisions are informed of the list of priority schools that would be recipients of this program. Enclosed in Annex "C" is the Pro-forma information letter to the representatives.
6. The priority lists of schools shall be submitted to the Physical Facilities and Schools Engineering Division-Office of Planning Service (PFSED-OPS) at the 4th Floor, Bonifacio Building, DepEd Complex, Meralco Avenue, Pasig City or at telefax nos.: (02) 633-7263, (02) 638-7110 and (02) 638-4108 and e-mail address: pfsed010305@yahoo.com following the format in Annex "D" on or before September 20, 2010.

7. To ensure efficient delivery of the projects and so that the school buildings can immediately be used by the schools, the regional and division offices are required to focus on and fast track the implementation of this project. Constant monitoring shall be made by the Office of the Secretary to ensure that classrooms are completed on time.

8. Immediate dissemination of and compliance with this Order is desired.

SMA, DO Submission of Priority Lists of School Building
Aug. 5, 2010/Aug. 20, 2010/Aug. 26, 2010/Sept. 14, 2010

GUIDELINES FOR THE PREPARATION OF PRIORITY LISTS OF SCHOOL BUILDINGS TO BE FUNDED UNDER THE BALANCE OF CY2010 DepED SCHOOL BUILDING PROGRAM FOR AREAS EXPERIENCING ACUTE CLASSROOM SHORTAGE (RED AND BLACK SCHOOLS)

A. Manner of Allocation

The Lumpsum appropriation for the CY 2010 School Building Program is equitably distributed to all legislative districts on the basis of classroom shortage, as computed from the SY 2009-2010 Basic Education Information System (BEIS) and on the assumption of 1:45 single shift (1:45 SS) session.

B. Identification of Recipient Schools

1. In the identification of recipient schools for this program, priority should be given to schools that belong to the following categories:
 - a. Schools belonging to the BLACK code of the BEIS;
 - b. Schools belongs to the RED code of the BEIS;
 - c. Schools that were declared to be located in hazard prone areas and needing immediate relocation;
 - d. Schools with incomplete/partial constructions and still fall under the RED code of the BEIS;
 - e. Barangays without existing schools (School-less Barangays)
 - f. Schools located in areas with indigenous people.
2. The identified recipient schools should have sufficient buildable space in the school site for the construction of additional classrooms. In the case of Black schools, these should have a school site with corresponding site ownership documents, (e.g. TCT, Deed of Donation, Usufruct Agreement). Tax declaration in the name of DepEd and the local government unit (LGU) will be considered by the Department as an acceptable site ownership document, provided, however, that there is a certification from the Assessor's Office that the lot has no adverse claimant.
3. To avoid duplication and the tedious process of realignment of projects, the Region/Division shall ensure the conduct of the site

appraisal/validation of the proposed listing, prior to submission to the Central Office.

4. In case replacement of school buildings in red schools is proposed, it should be supported by complete documentations following the guidelines for the demolition of school buildings. Final approval for the replacement shall be made by the Physical Facilities and Schools Engineering Division (PFSED) of the Office of Planning Service.

C. Standard Classroom Dimension

All public elementary and secondary schools shall adopt the 7m x 9m classroom dimension regardless of its location and class size.

D. Standard Cost of School Building

The regionalized costs of school buildings are based on the prevailing cost of construction materials and hauling in a particular region. Refer to *Annex "B"* on the tabulated costs of school buildings per region.

E. Implementation Procedure

1. This project shall be implemented through contracting using the **Revised Implementing Rules and Regulations of RA 9184 (Issued by the Government Procurement Policy Board on September 3, 2009)**.
 - a. Procurement shall be done through National Competitive Bidding;
 - b. Posting in the PhilGEPs is mandatory;
2. Clustering of projects shall be aligned with the signing authority given to the Regional Directors and Schools Division/City Superintendents as per DepED Order No. 66 s. 2008.
3. Local Government Units (LGUs) who are interested to implement the school building projects may be allowed, upon recommendation of the Division and Regional Office, and approval by the Central Office; Provided, that a Memorandum of Agreement (MOA) shall be perfected between the Department and the LGU concerned. Assessment of the LGU shall be made to determine their capability to implement the project by Administration.

F. Coordination and Consultation

To prevent duplication of recipient schools in the Regular School Building Program (RSBP) or in any other School Building Project being implemented by other agencies and NGOs, the Schools

Division/ City Superintendents or their representatives may coordinate with the concerned Representative of the Legislative District, LGU through the Local School Board, and other concerned entity, on the preparation of the final list of recipient schools.

The Schools Division Superintendent shall be responsible in ensuring that the Congressional Representatives of each respective Division are informed on the list of priority schools to be recipient of this particular program. Attached in *Annex "C"* is the Pro-forma information letter to the Representatives.

G. Reporting Format/ Submission

In preparing the list of recipient schools, the format shown in *Annex "D"* should be strictly followed. The Division Physical Facilities Coordinator (DPFC) should indicate his/her contact numbers (telephone number, fax number, cellular phone number) in the list for easy access in case clarification is needed.

It is emphasized that the final listing should be prepared in triplicate copies, the original copy to be submitted to the PFSED, duplicate copy to the Regional Office and the triplicate copy to be retained by the Division Office concerned.
