DepEd MEMORANDUM
 No. **199**, s. 2011

2011-2012 DISTRICT SUPERVISORS LEADERSHIP (DSL) PROGRAM II

To: Undersecretaries
 Assistant Secretaries
 Bureau Directors
 Directors of Services, Centers and Heads of Units
 Regional Directors
 Schools Division/City Superintendents
 All Others Concerned

1. The Department of Education (DepEd) through the Southeast Asian Ministers of Education Organization-Regional Center for Education Innovation and Technology (SEAMEO-INNOTECH) will conduct the **2011-2012 District Supervisors Leadership (DSL) Program II**.
2. The training program aims to address the urgent requirement of this Department for leadership capacity building interventions of the Public Schools District Supervisors (PSDSs) to build and enhance their competencies to lead efforts in transforming schools and learning centers in their respective districts toward improved learning outcomes of the children and the youth.
3. The participants in this program are PSDSs who are sixty (60) years old and below. Those PSDSs who have participated in the previous Asian Institute of Management/Philippines-Australia Human Resource Development Facility (AIM/PHRDF) training programs and the 2010 DSL I are not eligible to attend this particular program. The newly appointed PSDSs and those who are holding the post in an acting capacity are also qualified to join this program.
4. The program will be conducted in three (3) phases:

Phase	Activity
Phase I	Two-week face-to-face live-in training of participants at SEAMEO-INNOTECH
Phase II	Two-month on-line learning exchange and mentoring and actual implementation of their District Action Plans (DAP)
Phase III	Two-day integration session for all participants who would have successfully completed all the requirements of this program

5. For **Phase 1**, there shall be organized sixteen (16) classes of thirty-one (31) DepEd scholars per class assembled by regions. For **Phase 2**, there shall be organized classes of fifteen (15) or sixteen (16) participants with one (1) assigned learning mentor per class. Enclosed is the schedule of classes.

6. The SEAMEO INNOTECH shall provide each participant access to one (1) laptop computer as a major learning tool for the duration of Phase 1 sessions with free internet connectivity within the campus. Each participant shall also receive a memory stick (flash drive) to store the reference materials and outputs generated in a class for use in Phases 1 and 2 of the program. During **Phase 2**, the participants will need to access the internet from local providers. The SEAMEO INNOTECH shall reimburse a maximum of Three Hundred Pesos (PhP300.00) per participant for internet charges actually incurred during the Phase 2 on-line sessions. The receipts will be accepted for refund at the scheduled DSL Integration Sessions.

7. All regional directors (RDs) are requested to nominate participants who will attend this program based on the qualifications. The deadline for submission of the list of nominees is on or before **September 1, 2011**. A separate DepEd Memorandum will be issued to announce the qualified scholars.

8. In order to maximize the PSDSs' exchange of learning and insights and eventually, build a learning community of PSDSs in the region, the RDs may opt to allow the participation of the DSL I graduates to the scheduled two-day integration session (**Phase 3**) of DSL II. However, the Regional Office (RO) will cover the expenses for meals and accommodation of the DSL II graduates.

9. The tuition fee which includes hotel accommodation and meals for the two-week live-in training shall be charged to DepEd. The transportation to and from their station to the training venue and other allowable expenses will be charged to local funds. Both DepEd and local funds are subject to the usual accounting and auditing rules and regulations.

10. For more information, please contact **Ms. Monique I. Adalem**, SI DSL Program Coordinator, SEAMEO INNOTECH at telephone no.: (02) 926-4442, telefax no.: (02) 928-7692 or send a message through e-mail address: monique@seameo-innotech.org.

11. Immediate dissemination of this Memorandum is desired.
