Schools Division/City Superintendents  
All Others Concerned

1. The Hongkong and Shanghai Banking Corporation Limited (HSBC) and *Sa Aklrat Sisikat (SAS)* Foundation, will conduct the **SAS Gurong Kaakbay Pilipinas Conference (GKPC)** from May 30 to June 1, 2012 at the Ateneo de Manila University (ADMU) Campus, Katipunan Avenue, Quezon City.

2. This conference is part of the capability-building activities under the *Programang Kaakbay* of SAS that aims to nurture the teachers in order to build a nation of readers. Likewise, it aims to help the teacher-participants or the "*Gurong Kaakbays*" to ensure the sustainability of the SAS Reading Program in their respective schools. The conference is also intended to help build competencies of *Gurong Kaakbays* in teaching, promote their pride in the profession, enhance their self-esteem, and foster greater solidarity among them.

3. In line with this, the teachers from selected elementary schools from the seventeen (17) regions (as stated in the enclosed lists) are invited to submit application forms in order to qualify as participants to the GKPC. They should have attended any of the teacher training workshops conducted by the SAS from 1999 to 2011.

4. The completed application forms should be submitted on or before **November 10, 2011** to:

*Sa Aklrat Sisikat* Foundation, Inc.  
3<sup>rd</sup> Floor, Carson Building, Orense cor. Del Carmen Sts.,  
Guadalupe Nuevo St., Makati City

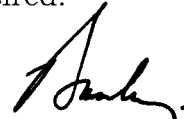

5. All application forms will be reviewed by the SAS Screening Committee between November and December 2011. The announcement of selected teachers will be made in January 2012 and all successful applicants will be notified by mail. Please note that registration fees and lodging for participants from outside Metro Manila will be shouldered by the SAS. The teachers will not be asked to pay any conference expenses and will receive **partial** transportation subsidy.

6. All successful teacher-participants will be part of the *Gurong Kaakbay* for 2012 under the *Programang Kaakbay* and are therefore expected to submit Feedback Reports on a regular basis from July to September 2012. These teachers will also be visited by the SAS Project Monitors to ensure that knowledge and skills gained from the conference are being applied and at the same time, provide technical assistance to teachers on how they will be able to better implement the programs they have in their respective schools. They will also be invited to attend an enrichment workshop by the third quarter of 2012.

7. For more details and information, please contact **Ms. Marie Angeles**, Operations Manager, SAS Foundation at telephone no.: (02) 882-8776.

8. Immediate dissemination of this Memorandum is desired.
