Background and Rationale

Since summer of 2008, the NCCA-PCEP, through several conduit-TEIs nationwide, has been offering a credit-earning post-baccalaureate teacher enhancement program called Certificate Program on Cultural Education (CPCE), which is now formally known as the Graduate Diploma in Cultural Education (GDCE).

Strongly aligned with the program objectives of the Philippine Cultural Education Program (PCEP), the 24-unit program offers scholarship opportunities for 40 to 50 region-based public elementary and high school teachers in the core subject areas (Science, Mathematics, Social Studies and English and Filipino Languages) and MAPEH (Music, Arts and Physical Education) to undergo a two-summer intensive training. Designed as an in-service residential program, the GDCE covers a total of 432 hours of intensive training designed to integrate functional understanding of the local and national history, culture, heritage and the arts into the five core subject areas – Social Sciences, Languages, Science, Math and MAPEH. It requires its participants

to produce researches on local history, reflection papers, and group and individual lesson exemplars on culture-based basic education.

Description of the Project

The 42-unit master's program is a ladderized curriculum designed to address the following objectives:

1. To expand the teacher-participants' knowledge base in Philippine history, culture, heritage and the arts (*PCEP Goal 1*);
