Section 22, Chapter 5, Title I-A, Book V of Executive Order No. 292 provides that:

- (2) The establishment, administration and maintenance of qualification standards shall be the responsibility of the department or agency, with the assistance and approval of the Civil Service Commission and in consultation with the Wage and Position Classification Office.
(underscoring supplied)

Paragraph 3, Item No. 2, Part I – General Policies of CSC Resolution No. 030962 dated September 12, 2003 provides that “Agencies are encouraged to set specific or higher standards for their positions. These standards shall be submitted to the Commission for approval, and once approved, they shall be adopted by the Commission as qualification standards in the attestation of appointments of the agency concerned.”

An evaluation of the above proposed QS by the DepEd for the teaching positions in the SHS shows that they are generally higher than the set QS in the 1997 Revised QS Manual. Nevertheless, the amended QS as proposed by the DepEd for the teaching positions in Senior High School are compliant with RA No. 10533 and with existing policies on QS for positions in government.

The *Hiring Guidelines for SHS Teaching Positions* issued by the DepEd shall include the specific provisions of RA No. 10533 and its Implementing Rules and Regulations on the selection and placement for SHS teaching positions.

WHEREFORE, the Commission **RESOLVES** to **APPROVE** the abovementioned qualification standards for the teaching positions for Senior High School as proposed by the Department of Education.

The Commission **FURTHER RESOLVES** that the amended qualification standards shall be the bases of the Civil Service Commission in attesting appointments and in evaluating other personnel actions for the subject positions in the Department of Education.

Copies of this resolution shall be disseminated to all Civil Service Commission Regional and Field Offices.
