MCDJ/ R DO Implementing Guidelines on the Release and Use of Funds for FY 2017  
0127/February 08, 2017

## **I. RATIONALE**

This DepEd Order aims to provide guidance on the policies, rules and regulations on the release and use of funds for FY 2017. It also aims to ensure timely and efficient utilization of resources, synchronize fund release with the implementation of DepEd's programs, activities, and projects (PAPs), and to institute mechanisms for transparency and accountability across the different DepEd offices.

## **II. SCOPE OF THE POLICY**

This DepEd Order covers the release and use of funds for nationwide implementation in the DepEd Central Office (CO), Regional Offices (ROs), Schools Division Offices (SDOs), and Schools.

## **III. POLICY STATEMENT**

The Department hereby issues this Order to provide guidance on the policies, rules and regulations on the release and use of funds for FY 2017.

These guidelines are based on Republic Act (RA) No. 10924 or the 2017 General Appropriations Act (GAA) and on the Department of Budget and Management's (DBM) National Budget Circular No. 567 dated January 3, 2017 or "Guidelines on the release of Funds for FY 2017"

## **IV. PROCEDURES**

### **A. RELEASE OF FUNDS**

#### **1. Prevailing Policies**

a. The effectivity date of the FY 2017 GAA is on 01 January 2017 per Section 1 of the General Provisions of the said law. FY 2017 Appropriations shall be valid for release and obligation for the purpose specified and subject to pertinent special and general provisions:

- i. For Personnel Services (PS) – until December 31, 2017
- ii. For Maintenance and Other Operating Expenses (MOOE) and Capital Outlay – until December 31, 2018
- iii. For Financial Expenses (FinEx) – until December 31, 2018, considering that it is similarly treated as MOOE.

The President's Veto Message, however, directed all agency heads to ensure obligation of all PAPs funded under the GAA, including MOOE and CO, **not later than December 31, 2017**. Therefore, sub-allotted funds from Central Office are expected to be obligated on or before end of December 2017.

- b. The aggregate allotment releases for the year from all appropriation sources shall not exceed the Allotment Release Program of each agency which is consistent with the Total Obligation Program as per approved Budget Execution Documents (BEDs).
- c. The obligational authorities that will be issued by DBM for agencies/operating units to incur obligations include:
  - i. The GAA as Allotment Order (GAAAO) for those categorized as "For Comprehensive Release";
  - ii. Special Allotment Release Orders (SARO) to cover the release of budgetary items under "For Later Release" and releases from Special Purpose Funds; and
  - iii. General Allotment Release Order (GARO) to cover the comprehensive release of Retirement and Life Insurance Premiums (RLIP).
- d. Release of funds shall be made directly to the operating units of Agencies. Funds specifically appropriated to ROs, SDOs, and school implementing units (IUs) shall be released to them directly except for centrally-managed items (CMI).

## 2. Manner of Release of Funds

### **FOR COMPREHENSIVE RELEASE (FCR)**

The budgetary allocations that are for comprehensive release in the DepEd's FY 2017 budget are listed in **Annex A**.

This is to reiterate, however, that although there are budgetary allocations that are comprehensively released to the DepEd ROs and SDOs in pursuance to the policy of GAAAO, the implementation of certain PAPs is subject to the issuance of guidelines from the DepEd CO. A complete list of such PAPs, which include the School Based Feeding Program and Special Hardship Allowance, among others, shall be issued.

Further, there are budgetary items allocated to the ROs that are Centrally-Managed Items (CMIs), and therefore, they are transferred to the CO. Hence, these are not among the items directly released to the ROs.

Lastly, there are budgetary items that are lodged at the CO which will be sub-allotted later on for implementation of the field offices. Kindly note that OM-Finance BPM-2016 No. 126 and 127 state that the BEDs for such items shall be prepared by the CO. This means that release of these allotments require the field implementing units to request for release of additional Notice of Cash Allowance (NCA) for the cash requirement of such PAPs from their respective DBM ROs, supported by an accomplished Monthly Disbursement Program (MDP).

## **B. USE OF FUNDS**

### **1. Savings and Augmentation**

- 1.1. Savings refer to portions or balances of any released appropriations in the GAA, which have not been obligated as a result of the following:
  - i. Final discontinuance or abandonment of an ongoing PAP by the head of agency concerned due to causes not attributable to the fault or negligence of the said agency which would not render it possible for the agency to implement said PAP during the validity of the appropriations;
  - ii. Non-commencement of the PAP for which the appropriations is released. For this purpose, non-commencement shall refer to the inability of the agency or its duly authorized procurement to obligate the released allotment and implement the PAP due to natural or man-made calamities or other causes not attributable to the fault or negligence of the agency concerned during the validity of the appropriations;
  - iii. Decreased cost resulting from improved efficiency during the implementation or until the completion by agencies of their PAPs: Provided, that the agencies will still be able to deliver the targets and services as approved in the GAA; and
  - iv. Difference between the approved budget for the contract and the contract award price including any variations required for the project.
- 1.2. Note that programmed appropriations which have not been released or allotments not yet obligated due to the fault of the agency concerned shall not be considered savings.
- 1.3. Savings may likewise refer to available balances of appropriations arising from unused compensation and related costs pertaining to:
  - (i) Unfilled, vacant or abolished positions;
  - (ii) Non-entitlement to allowances and benefits;
  - (iii) Leaves of absence without pay; and
  - (iv) Unutilized pension and retirement benefits arising from death of pensioners, decrease in the number of retirees, or other related causes.
- 1.4. In the case of sub-allotted funds from Central Office, any **savings generated from the situations listed in Section B.1.1 which is requested to be used for the same PAP may be considered as modification of allotment** and shall be subject to the guidelines on the same per Section B.2.
- 1.5. Meanwhile, any savings generated from the situations listed in Section B.1.1. which is requested **to be used for or added to**

another PAP is considered as “augmentation.” The particulars of the expenditures to be funded from savings should be within the scope of, or covered by an existing PAP. But the existence of a PAP regardless of the availability of allotment class/object of expenditure is sufficient for the purpose of the augmentation, which may result from:

- i. Unforeseen modifications or adjustments in the PAP; or
- ii. Re-assessment in the use, prioritization, and/or distribution of resources.

Note that the use of savings and augmentation of a deficient PAP is subject to the approval of the President of the Philippines per the General Provisions of the GAA.

1.6. NBC No. 567 also reiterates that in the use of savings, priority shall be given to the payment of compensation, year-end bonus and cash gift, retirement gratuity, terminal leave benefits, old-age pension of veterans, CNA incentives and other personnel benefits authorized by law and in the FY 2017 GAA.

## 2. Modification of Allotment

2.1. As a general rule, agencies shall spend what is programmed in their respective appropriation in the GAA. In exceptional circumstances, **agencies may modify the allotment issued within a PAP, subject to the approval of the following:**

- i) The heads of agencies for changes in the object of expenditure (Salaries, Wages, Travelling Expenses, or Investment Outlays) within an allotment class (PS, MOOE or CO). This covers the use of savings discussed in Section B.1.4.
- ii) The DBM for the following modifications: (i) for the payment of Magna Carta benefits authorized under Section 42 of the 2017 GAA General Provisions; (ii) from one allotment class to another; (iii) from one operating unit to another; (iv) within a special purpose fund; and (v) within the purpose authorized under the Unprogrammed Appropriations; and
- iii) The President of the Philippines for the payment of intelligence funds within the Executive Branch.

2.2. For changes in the object of expenditure within an allotment class within the same PAP, the delegated approving authorities are as follows:

- i. For CO, the Undersecretary for Finance-Budget and Performance Monitoring;
- ii. For ROs, including sub-allotted funds from Central Office, the Regional Directors;

- iii. For SDOs and school IUs, including sub-allotted funds from Central/Regional Office, the respective Schools Division Superintendents.

In the case of sub-allotted funds from Central Office, although authorities have been delegated to field officials to approve modifications of allotment, the concerned ROs, SDOs and school IUs shall provide the Central Office Budget Division a copy and summary of their Realignment Advice Forms (RAF) at the end of each quarter.

Moreover, in the case of savings generated from training activities which are proposed to be used for other training activities within the same PAP but which is/are not cited in the face of the Sub-Allotment Release Order, clearance from the Undersecretary for Finance – Budget and Performance Monitoring shall be secured prior to obligating said funds.

**2.3. Note that all modifications within Capital Outlays may only be made until June 30, 2017, except if due to the occurrence of calamities.**

**2.4. All modifications in the allotment shall not entail any increase in the total amount appropriated for a PAP. In the case of program with several activities, modification may be done only within each activity.**

### **3. Personnel Services Allotments**

**3.1. All offices shall comply with the requirements and instructions of the DBM in NBC No.567 pertaining to PS allotments.**

**3.2. All offices should also note the issuance of DBM's NBC No. 568 on the "Implementation of the Second Tranche Compensation Adjustment for Civilian Personnel and Military and Uniformed Personnel in the National Government" which prescribes the guidelines, rules, and regulations for the implementation of the second tranche compensation adjustment stipulated under Executive Order No. 201, series of 2016.**

### **4. Clarification on Capitalization Threshold of Assets Recognized as Plant, Property and Equipment**

**4.1. As prescribed in the new Government Accounting Manual issued by the Commission on Audit, the capitalization threshold of P15,000 represents the minimum cost of an individual asset recognized as Plant, Property and Equipment.**

4.2. Therefore, notwithstanding the School Capital Outlay budget lodged under Operations of Schools – Elementary Education, public elementary and also public Junior and Senior High Schools may use their school MOOE budgets to procure small capital expenditure items **worth below P15,000 or costing P14,999 and below**. This amends the provision on the same in DepEd Order No. 13, 31 and 75, s.2016.

5. DepEd Plan Implementation Documents – Activity Request and Authority to Conduct
  - 5.1. To support the optimal and timely implementation of plans, the Department uses two modes of plan execution, depending on the compliance of proposed plans/activities to the approved Work and Financial Plan.
  - 5.2. If the proposed activity is in accordance with the approved WFP or the approved revised WFP of the office, then an Activity Request (AR) may be used to trigger funds release for the conduct of the said activity. Note that offices may have the opportunity to revise their WFPs at the end of every quarter, after the Program Implementation Review. See **Annex C** for the template, process and workflow involved in the approval of an AR.
  - 5.3. If the proposed activity is not included in the approved WFP, an Authority to Conduct (ATC) must be secured prior to plan execution. The office must provide legal basis or documentation of directives to implement such activity to support the ATC. This is being contemplated in cases wherein the Department is tasked by the Cabinet or other oversight agencies to implement activities that are not included in the original WFP. Moreover, the office must also identify other activities in the WFP which will be reprogrammed or deferred for implementation, to give way for the proposed new activity.
  - 5.4. If the proposed activity is included in the approved WFP, but has major deviations from the original plan, an ATC must be secured prior to plan execution. The variations which are covered by this requirement include: increase in budget requirement for the activity costing P100,000 and above; change in the nature of the activity; or change in scope of the activity. See **Annex C** for the template, process and workflow involved in the approval of an ATC.
  - 5.5. Notwithstanding its inclusion in the approved Work and Financial Plan, transactions involving procurement of capital outlay items and hiring of contracts of service or consultants

shall be subject to an Authority to Procure or an Authority to Hire (whichever applies) process.

5.6. Lastly, the conduct of training activities or activities charged against the HRTD fund shall be subject to the ATC process and shall be subject to the issuance of guidelines on the use of the HRTD fund.

## 6. Operations of DepEd Negros Island Region (NIR)

6.1. Pending any issuance on the contrary, the DepEd Negros Island Regional Office shall continue operations in FY 2017 through the Division of Negros Occidental and the Division of Negros Oriental.
