**FILMS ON THE ENVIRONMENT FOR PUBLIC HIGH SCHOOL STUDENTS**

The SM Malls, one of the Department's partners through the Adopt-A-School (ASP) Program, will be showing films on the environment that can be viewed for free by public high school students.

These documentaries on the environment will be simultaneously shown at all SM Malls across the country on February 10, 2010.

The ASP Regional and Division Coordinators are advised to coordinate with the schools to help encourage public high school students to view the following award-winning documentaries that discuss the importance of caring for the environment:

8:00 AM	State of the Planet
10:00 AM	The 11 <sup>th</sup> Hour
12:00 NN	Planet Earth
2:00 PM	Warnings from the Wild
