SUMMER ROADSHOW PROJECT

The Rising Era Marketing (REM) offers a Summer Roadshow Project which covers series of specialized courses on various field of education such as the following: (1) Applied Behavior Analysis; (2) Introduction to Rubrics; (3) Online CAI Development; (4) Understanding by Design (UbD); and (5) ASL and Business. It intends to focus on cutting edge specialized courses, advanced and imminent to the demands of the education sector.

REM aims to help educators integrate technology into the classroom by offering "TeachNBlog" (TnB) website. TnB website will help the teachers and educators create and locate ready-to-use web lessons, quizzes, educational updates and events.

TeachNBlog website provides a whole new level of interaction that has not taken place before. Educators will have the ability to quickly assess a student's understanding of the course material, and provide easy and accessible lesson related platform for students to use.

For more information, contact the REM thru e-mail address at: info@technoblog.com; and website: <http://remevents.technoblog.com/booking>
