Dear SIR/MADAM,

Greetings!

We would like to invite you to our annual event: **The CAL ICT Summit 2016.**

<b>THEME</b>	<b>CAL ICT SUMMIT 2016</b> <b>INSPIRE</b>																						
<b>RATIONALE</b>	<p>This year, let CAL encourage and inspire spirit and success by discovering the power of motivation in building school essence, morale and camaraderie. CAL chose this year's theme to motivate and show how ICT can be relevant to students' lives and how it can be made more effective. Let us build on their interests and life experiences; so that the students' attitude, skills and knowledge can be developed in meaningful ways. If one is inspired, they become more inquisitive, have more open communications, which in turn would lead the students to enthusiastically participate more in the learning process and give encouragement to the teachers.</p> <p>With this, let this year's CAL ICT Summit inspire everybody on how to be motivated with ICT, on how to look for the best solutions, to demonstrate how CAL's advocacy is the step for the future.</p> <p>CAL would like to invite everyone, to show how we are building a stronger foundation for our students, parents and teachers through ICT.</p>
