**SEMINAR-WORKSHOP ON MOVING FORWARD USING THE BACKWARD
DESIGN: A SEMINAR-WORKSHOP ON THE WHYS AND HOWS
OF USING UBD IN THE CLASSROOMS**

The Arczone Professional Development Center (APDC) will conduct a Seminar-Workshop on Moving Forward Using the Backward Design: A Seminar-Workshop on the Whys and Hows of Using Understanding by Design (UbD) in the Classrooms by clusters.

The seminar-workshop is an avenue for teachers in the five learning areas, namely: English, Filipino, Mathematics, Science and Social Science to demonstrate UbD as a process that they need to undergo in designing curriculum, assessment and instruction that aims for student understanding.

This activity is designed to:

- a. enable the participants to understand UbD as a curriculum framework - its origin, basic principles and models;
- b. equip them with the necessary skills in the preparation of instructional materials and the appropriate alternative assessment tools in the learning environment; and
- c. enhance the participants' competencies in using new and innovative approaches and strategies compatible with the UbD curriculum.

The participants are teachers and school administrators.

For the schedules, venues and registration fees of the seminar-workshop, contact the Arczone Professional Development Center at 2nd Floor Overland Park Building, Banawe St., Quezon Avenue, Quezon City at telefax no.: (02) 414-7589; (02) 781-6895; mobile phone no.: 0921-576-1676; 0915-496-3883; e-mail address: arczone_eduphil@yahoo.com
