To: Regional Directors

Heads, Public Secondary Schools

1 To address the critical need for Science and Mathematics teachers, all Regional Directors are again directed to give priority to DOST-SEI-PNU teacher-scholars in the hiring of teachers in public secondary schools. This is per agreement in the DepED MANCOM Meeting held on February 24, 2005 in Surigao City.

2. Enclosed are the lists of the DOST-SEI-PNU scholars who are expected to graduate by the end of AY 2005-2006 and who may be considered for hiring this SY 2006-2007. Included in the lists also are some scholar-graduates who have not yet been placed in the public schools secondary school system. As stipulated in the Scholarship Agreement, upon completion of the course, these scholars are required to render four (4) years of service in public high schools in their respective home regions as part of their service obligation.

3. As a prerequisite for employment, these scholars must have passed the Licensure Examination for Teachers (LET).
