DepED MEMORANDUM
No. 158, s. 2007

**WHOLE-SCHOOL APPROACH TO MASTERY READING AND WRITING FOR
SUCCESSFUL LEARNING IN THE SECONDARY LEVEL (YEAR II)**

To: Regional Directors
Schools Division/City Superintendents

1. Reading and writing as tools for learning need to be strengthened to effect the desired changes in student performance in terms of improved comprehension and communication skills in both oral and written language. Poor reading comprehension results in poor student performance in English, Science, Math, T.L.E. and MAPEH as shown in the National Achievement Test (NAT) Results.
2. To help schools meet these needs, the Bureau of Secondary Education (BSE) shall conduct a five-day national training program that will build the capacity of the schools to adopt a systems approach to reading and writing skills development. The national training will be held at the Teachers Camp, Baguio City on May 21-25, 2007.
3. The schools have been identified in the Enclosure to the previous DepEd Memorandum No. 140, s. 2006. For the purpose of modelling, the identified schools are those that can serve as lead schools in the division in reading and writing.
4. The participants from each of the identified schools shall be the principal, one teacher who is a major in each of the following learning areas: English II, Science II, Math II, TLE II, and MAPEH II (Health II). The participants from the division shall be the Assistant Schools Division Superintendent, and from the region, it shall either be the Chief or the Assistant Chief of the Secondary Education Division (SED).
5. The actual transportation expenses, board and lodging of the participants, extra duty allowance, honorarium of resource persons and other expenses of BSE staff and resource speakers, supplies, and training materials shall be charged against DepEd Pump Priming Funds, subject to the usual accounting and auditing rules and regulations.
6. The first meal shall be dinner of May 20, 2007 and the last meal is breakfast of May 26, 2007. For further information, please contact Fernando M. Pantino and Angello O. Pineda of DepED-BSE at telephone numbers (02) 8327740, 00182570004, and 8308178 and 8327888.
7. Wide and immediate dissemination of this Memorandum to all concerned is desired.
