1. The Private Secondary School Administrators Association of the Philippines (PRISSAAP) through the Office of the Planning Service successfully completed the Conference with Private Schools on the Basic Education Information System (BEIS) last January 24-25, 2009 at Punta Villa Resort, Iloilo City. This was attended by three hundred school administrators, principals, registrars or record officers of private schools all over the country. The conference was intended to make private schools and learning centers appreciate the importance of the yearly conduct of the BEIS data gathering activities, how the data are used for policy and decision making purposes and the schedules being observed by putting together the overall basic education statistics of the country.
2. Due to the clamor of other schools/offices that were unable to attend said conference in Iloilo City, an extension conference for private schools (pre-school, elementary and secondary) and DepED offices from Luzon and some divisions of Visayas and Mindanao will be held on February 26-27, 2009 at Splash Mountain Resort, Km. 58 Brgy. Lalakay, Los Baños, Laguna.
3. Authorized to attend are the Private School Principals and Registrars, DepED Regional and Division Planning Officers and Education Supervisors in Charge of Private Schools.
4. A registration fee of Three Thousand Pesos (PhP3,000.00) shall be charged each participant to defray expenses for board and lodging, materials and handouts, honoraria of resource persons, conference secretariat and other operating expenses to be incurred directly related with the activity. Payments in check should be made payable to PRISSAAP upon registration. Traveling and other allowable expenses of DepED participants to this activity shall be charged against local funds subject to the usual accounting and auditing rules and regulations.

5. The Tentative Program of Activities is enclosed.
6. Immediate and wide dissemination of this Memorandum is desired.
