Notes:

- Column 4 of the Price Schedule Form indicates the estimated price per unit for each of the items in the Lot. Unit price per item plus tax(i.e. cols. 9 +10) should not be higher by more than 15% of the estimated price per unit. Any bid in violation of this rule shall be automatically reduced to 115% of the estimated price per unit.
- Total Bid Price (i.e. Total Lot Price) exceeding the ABC shall be a ground for the rejection of the bid.
- The cost of freight, transportation and logistics (on column 10) shall be fixed at 7% of the Unit Price EXW per item (column 5) and cost of labor, raw material and component, sales and other taxes payable and other incidental services. In the event that a logistics provider is assigned to undertake hauling, handling, trucking, warehousing and dispatch of the items/goods, the said 7% shall be deemed not payable to the supplier and shall be retained by DepEd to cover expenses incurred for the logistics services.

\* In case of discrepancies between or among the Schedule of Requirements, Annex "A" (List of Items and Bid Security) of the bidding document and the Price Schedule Form insofar as the lists of items and quantities are concerned, those appearing in the **PRICE SCHEDULE FORM SHALL PREVAIL.**
