DepED MEMORANDUM  
No. **343** s. 2004

PROJECT STERLING SILVER (PSS) PEER ACCREDITATION  
FOR PUBLIC HIGH SCHOOLS

To: Bureau Directors  
Regional Directors  
Schools Division/City Superintendents  
Heads, Public Secondary Schools

1. In an effort to improve the quality of education offered by the public school system and to fully empower secondary school heads, the Department of Education (DepED) gives full support to Project Sterling Silver (PSS) Peer Accreditation System. This project is funded by FORD Foundation, and spearheaded by the University of Asia and the Pacific (UA&P), the Bureau of Secondary Education (BSE) and the National Association of Public Secondary School Heads Inc. (NAPSSHI). The FORD Foundation will support the program until December 2004. The UA&P shall serve as Consultant to this project.
2. To attain these objectives, the PSS-trained Master Teachers, Guidance Coordinators and School Administrators shall form part of the accrediting teams. Hands-on-training, conferences and seminars were held in order to institutionalize the accreditation system successfully. In this regard, this Department has deemed it necessary for Philippine public high schools to fully support the undertaking.
3. In order to ensure the successful institutionalization and continuity of the accreditation system, the project will charge application fees from schools applying for accreditation. Application fees may be charged against local funds or local school board funds, subject to the usual accounting and auditing rules and regulations. Funding for travel and other incidental expenses may be charged against the same.
4. The NAPSSHI is in-charge of the full implementation of this accreditation down to the school level and has prepared manuals of information for dissemination. Attendance in project activities of accreditors involved in the project is **on official business**.
5. The accomplishments of Project Sterling Silver, list of accreditors and pilot schools are enclosed. (See Enclosure 1).
6. Immediate dissemination of this Memorandum is desired.

  
RAMON C. BACANI  
Undersecretary  
Officer-in-Charge

### **Accomplishments of Project Sterling Silver (PSS)**

The Project Sterling Silver Peer Accreditation has accomplished the following:

1. Developed an accreditation framework for public secondary schools composed of standards, criteria and instrument in evaluating school effectiveness;
2. Established awareness of the basis and nuances of peer accreditation within the system;
3. Developed, piloted, tested and validated accreditation standards and instruments, including self-assessment tools for 21 public high schools;
4. Sparked interest in accreditation as a tool for ensuing vigilance over quality education;
5. Trained 107 select master teachers, guidance coordinators and school administrators from all the regions on accreditation procedures for the regular conduct of peer accreditation;
6. Created an initial functional network among stakeholders for the future of accreditation, among them the Bureau of Secondary Education (BSE) of the Department of Education (DepED), the National Association of Public Secondary School Heads Inc. (NAPSSHI), and existing accreditation agencies (i.e., PAASCU and PACU-COA).
