#### YOUNG AMBASSADORS FOR CHEMISTRY EVENT

The Philippine Association of Chemistry Teachers, (PACT) Inc., the International Union of Pure and Applied Chemistry (IUPAC) and the Science Across the World (SAW) Network will hold the Young Ambassadors for Chemistry Event on April 12-14, 2010 at the Asia Pacific College and the Learning Center for Teachers (LCT) of Foundation for the Upgrading of the Standard of Education (FUSE).

The theme of this event is "Promoting Public Understanding of Chemistry".

The aim of the activity is to popularize and raise public awareness of chemistry, and to encourage young students to act as ambassadors for chemistry.

The participants are the Science and English high school teachers from both public and private schools and students. A registration fee of One Thousand Pesos (PhP1,000.00) will be charged per participant to cover the expenses for this three (3)-day event. However, student participation is free.
