1. Pursuant to the Constitutional mandate to provide all Filipino learners with free basic education in public elementary and secondary schools, and to achieve the country's targets for the Millennium Development Goal (MDG) on universal primary education and this Department's objective of Education for all (EFA) in 2015, there is an urgent need to minimize, if not eliminate, financial constraints among parents/guardians during the opening of classes, and to implement effective school/classroom management.

2. Accordingly, the **implementing policies on the collection of voluntary school contributions (VSCs)** shall be strictly observed.

- a. No fees shall be collected from school children in Kindergarten up to Grade 4 anytime during the School Year (SY) 2012-2013.

- c. The Parents-Teachers Association (PTA) may collect contributions starting August 2012 only after presenting to their members and to the school head/principal a **Report on the Utilization of the Previous School Year's Collections** and the **SY 2012 Proposed Budget with Program of Activities** taking into account the following:
- i. The amount of contributions to the PTA shall be agreed upon during the General Assembly pursuant to DepEd Order No. 54, s. 2009; and shall be concurred in by the school head/principal. (*The concurrence of the school head/ principal on the amount of **voluntary school contributions shall not be interpreted to mean that the contributions are mandatory***).
 - ii. The PTAs are enjoined to **refrain from setting exorbitant amounts for voluntary school contributions**. In consideration of the many expenses that parents incur in sending their children to school, the PTAs are encouraged to minimize the amount of contributions for graduation ceremonies and extra-curricular activities as well as minimize requests for in-kind contributions.
 - iii. The contributions to the PTA shall be on a *per member basis, regardless of the number of children* that the member has enrolled in the school;
 - iv. The PTAs are encouraged to open and maintain a bank account to manage its collections and budget; and
 - v. The Division PTA Affairs Committee shall strictly monitor the activities of the PTAs and their compliance with reports and other requirements.
- d. The publication of the school newspaper, although not mandatory, is strongly encouraged in line with the promotion of the campus journalism program at the elementary and secondary levels. The school publication fee shall be set at the school level. *Elementary pupil shall not pay more than Sixty Pesos (PhP60.00), and high school student, Ninety Pesos (PhP90.00) per DepED Order No. 19, s. 2008.*
- e. *No teacher, school official nor school personnel shall collect fees or contributions, nor shall they be entrusted with the safekeeping and disbursement of collections made by the PTA pursuant to the **Code of Ethics for Professional Teachers** (as provided for in Article XI of Republic Act. No. 7836). Teachers shall not act, directly or indirectly, as agent of any commercial venture, nor shall they be financially interested, of which they can exercise official influence. Hence, teachers, school officials and school personnel are prohibited from selling or requiring the purchase of locally- produced workbooks, instructional materials, test booklets, school supplies and other items;*
- f. The membership fees for student/pupil organizations shall be set by the organization subject to existing school policies on student organizations.
- g. If the collection of school publication fees and other club memberships are coursed through the PTA as requested by the concerned organization, the amount collected shall immediately be remitted to the school or organization on the day of collection. No service fee shall be charged to the school or pupil/student organization by the PTA.

- h. It is stressed that **in no case shall non-payment of voluntary school contributions or membership fees be made a basis for non-admission, non-promotion or non-issuance of clearance to a student by the school concerned.**
- i. **Non-compliance** with the provisions of this DepEd Order shall be a ground for **cancellation of the PTA's recognition** and/ or filing of appropriate charges as the case may be.

4. The **implementing guidelines on the wearing of student uniform and identification (ID) cards** are the following:

- a. The wearing of a school uniform shall not be required in public schools. Students with existing uniforms may continue using these uniforms, if they so desire, in order to avoid incurring additional costs for new attire; and
- b. ID cards shall be provided to students at no cost on their part. The school head/principal shall fund these ID cards from its Maintenance and Other Operating Expenses (MOOE).
