31ST INTERNATIONAL COASTAL CLEANUP DAY

The International Coastal Cleanup (ICC) will conduct the *31st International Coastal Cleanup Day* on September 17, 2016. This is pursuant to the Presidential Proclamation No. 470, declaring the third Saturday of each year as the International Coastal Cleanup Day in the Philippines coinciding with the global coastal cleanup celebrations.

The Coastal Cleanup Celebration aims to:

1. get rid of trash/debris from our shorelines, rivers, lakes and waterways; and
2. raise environmental awareness and provide information which will guide and influence governments, corporations and industries in developing smart solutions to the marine debris problem.

All personnel and staff of the Department of Education from the Central Office, Bureaus, Services, regional and division offices, including the attached agencies of the Department are invited to join this very important environmental event.
