

DepEd Advisory No. 263, s. 2016

September 19, 2016

In compliance with DepEd Order No. 8, s. 2013
this Advisory is issued for the information of DepEd officials,
personnel/staff, as well as the concerned public.
(Visit www.deped.gov.ph.)

SCIENCE WONDER WORKSHOPS FOR PUBLIC SCIENCE SCHOOL TEACHERS

The Mind Museum, in partnership with Globe Telecom, will conduct the *Science Wonder Workshops for Public Science School Teachers* in Pangasinan, Cavite, Batangas, Bacolod, Mandaue, Bohol, Ormoc, Cagayan, Davao, and General Santos City, any day within the School Year 2016-2017.

The Mind Museum has created a tool, the *Mind Museum app*, that makes Science learning accessible to a very wide audience even without having to go to the Museum.

The *app* contains K to 12 materials for Science Education in the form of science principles made more fun and alive by exhibit representations in the Museum, as well as in Do-it-yourself experiments. All these virtual exhibits in the Museum are accompanied by clear, well-written, and interesting write-ups which certainly draw users closer to Science.

The Workshops aim to:

1. introduce to the teacher-participants the app and the many ways it can help them teach Science; and
2. equip them with new and engaging hands-on skills to teach Science.

The target participants are Science teachers at any grade level from public elementary and secondary schools. Only 50-70 teacher-participants can be accommodated per workshop.

All materials and meals will be provided by the Mind Museum and the Globe Telecom.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
