2016 WORLD FOOD DAY CONTEST OF THE FOOD
AND AGRICULTURE ORGANIZATION

The Food and Agriculture Organization (FAO) of the United Nations will conduct the *2016 World Food Day Contest* with the theme *Climate is Changing, Food and Agriculture Must Too*.

The Contest has two categories: Poster Contest, and Video Contest which aims to:

1. underscore climate change as threat to food security; and
2. enable the children- and youth-participants to express themselves on what they think about the threat of climate change to food security.

The children and youth aged 5-19 years old will design a poster, and those aged 13-19 years will produce a video, not more than one minute.

The deadline for submission of entries is on or before *September 30, 2016*.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

More information may be inquired from:
