NATIONAL GEOLOGY CONGRESS 2016 OF THE UNIVERSITY
OF THE PHILIPPINES GEOLOGICAL SOCIETY

The University of the Philippines Geological Society (UP GeoSoc), in partnership with the National Institute of Geological Sciences (NIGS), UP Rockhounds, and the Philippine Association of Geology Students–Society of Economic Geologists Student Chapter (PAGS–SEGSC), will hold its *National Geology Congress (NGC) 2016* with the theme *Fuel: Harnessing Power Through the Advancements in Geology* from November 14 to 19, 2016 at the University of the Philippines, Diliman, and Teresa and Binangonan, Rizal.

The objectives of the Congress are to:

1. set a platform for discourse for participants who are college undergraduates with their researches and expanding their knowledge on possible career opportunities;
2. equip the participants who are high school Earth Science teachers and students with tools necessary for proper discussion and integration of both the discipline and the practice;
3. promote to them the impact and importance of geology to their daily lives; and
4. enable them to impart valuable and timely knowledge to the community.

The target participants are high school students and teachers from both public and private schools.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
