44TH ATOMIC ENERGY WEEK AND 2016 PHILIPPINE NUCLEAR SCIENCE QUIZ OF THE PHILIPPINE NUCLEAR RESEARCH INSTITUTE

The Philippine Nuclear Research Institute of the Department of Science and Technology (PNRI-DOST) will conduct its *44th Atomic Energy Week (AEW)* from December 5 to 9, 2016 with the theme *Teknolohiyang Nukleyar para sa Kaunlaran ni Juan*. One of the highlights of the Celebration is the *2016 Philippine Nuclear Science Quiz (PNSQ)*.

The PNSQ aims to:

1. provide an avenue to develop Filipino students' awareness and appreciation of the nuclear science and technology field and its potential role in uplifting the quality of living in the country; and
2. sustain awareness and understanding on nuclear science and technology and its beneficial applications among the participants.

The Competition will consist of a video making contest where winning schools from each region will be qualified to send representatives to the National Level Competition of the 2016 PNSQ.

The target participants are high school students from both public and private schools.

The awarding of the top five finalists will be held during the 44th AEW Closing Ceremonies on December 8, 2016.

More information may be inquired from either of the following:

- Mr. Roel A. Loteriña
 - Ms. Abigail D. Clemente
