TRAINING-WORKSHOP ON DIGITIZATION, DIGITAL PRESERVATION, AND ACCESS  
OF THE *ASOSASYON NG AKLATAN AT SINUPAN NG DILIMAN INC.*

The *Asosasyon ng Aklatan at Sinupan ng Diliman Inc.* (AASDI) will conduct the *Training-Workshop on Digitization, Digital Preservation, and Access* from May 29 to 31, 2017 at the Main Library, Gonzalez Hall, University of the Philippines (UP), Diliman, Quezon City.

The main objective of the Training-Workshop is to provide participants with the means to move beyond theoretical understanding to implementation strategies adhering to the current and emerging standards, best practices, and sound decision-making in planning and implementing digitization projects. Specifically, it aims to:

1. enable the participants to understand the basic concepts of digitization and digital preservation;
2. enable them to know the different hardware and software used for image capture, image processing, storage, preservation, and retrieval;
3. allow them to make good choices and to initiate successful digital imaging and digitization programs at their home institutions;
4. help them define and design a low-cost digitization project; and
5. enable them to implement digitization projects and establish institutional repositories.

The target participants are library staff or other personnel (professionals or nonprofessionals) who are planning to have a digital project in their libraries or offices.
