ROBOTICS IN FOCUS: A ROBOTICS TRAINING-WORKSHOP OF THE EDUCATION
PRODUCTION AND TRAINING SERVICES INC.

The Education Production and Training Services (EPTS) Inc. will conduct a robotics training-workshop entitled *Robotics in Focus* for the School Year 2017-2018.

The training-workshop aims to:

1. provide learners and teachers new learning experiences that would enhance the teaching-learning process through the use of modern technology;
2. prepare the learners to become globally competitive by addressing their needs and skills mapped out in the K to 12 curriculum;
3. enhance and discover new talents in the field of robotics;
4. equip learners and teachers with a wider horizon on the use of technology in research; and
5. prepare them for national and international science and technology competitions, particularly in the field of robotics.

The target participants are teachers and learners from both public and private elementary and secondary schools nationwide.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
