ECO-TRAVEL ZONE (ETZ)

D' Master's Upper Room Production, Inc. has come up with a regular TV program entitled "**Eco-Travel Zone (ETZ)**". The said show will be aired over Studio 23 (ABS-CBN) every Saturday from 9:30 to 10:00 in the morning.

The objective of the show is to inculcate to the people the advocacy on environmental awareness, conservation and preservation, disaster preparedness (natural and man-made calamities) and promote eco-tourism adventures (not typical places to visit) of a particular town, municipality or city in the Philippines that will embrace the cultural integrity of the local people.

The show is a reality-based environmental travel show wherein the unifying theme deals with environmental tourism (includes environmental awareness, conservation and preservation, and disaster preparedness). This is also an interactive show wherein the viewers can directly participate through comments, suggestions, reactions and recommendations (via ETZ multiply account). There will also be a Question and Answer portion through texting via gateway numbers.
