**NATIONAL SEMINAR ON TEACHING SCIENCE THROUGH
UNDERSTANDING BY DESIGN**

The Southeast Center for Training and Development and the Philippine Society for Education, Research and Training (PSERT) shall conduct the **National Seminar on Teaching Science Through Understanding By Design** with the theme "Keeping the Science Teacher Abreast with New Trends and Innovations" on the following dates and venues:

Dates	Venue
March 5-7, 2010	Specific venue to be announced
March 12-14, 2010	Baguio Convention Center, Baguio City
March 19-21, 2010	DepEd-ECOTECH, Cebu City

The objectives of the seminar are to:

- a. review past and present trends in teaching different areas in Science;
- b. realize the need and importance of adapting new trends in teaching;
- c. present the framework of Understanding By Design (UBD);
- d. acquire new skills in presenting Science instruction through UBD; and
- e. acquire methods in evaluating learning outputs in Science.

Participants to this activity are English teachers, principals and school heads, coordinators and supervisors.

A registration fee of One Thousand Eight Hundred Eighty Pesos (PhP1,880.00) shall be charged each participant inclusive of lunch and snacks and complete set of materials. Accommodation is not included in the registration fee.

For more information, contact Mr. Ed Soliman at tel. no.: (045) 961-8343 or at cellphone no.: 0917-5147952 pr 0918-6599546.
