TRAINING/WORKSHOP ON ROBOTICS IN FOCUS

The Educational Production Management Services (EPMS) will conduct a training/ workshop entitled: Robotics in Focus for the School Year 2010-2011.

The training/workshop aims to:

- a. provide the students and teachers the new learning experiences that enhance the teaching-learning process through the use of modern technology in order to become globally competitive;
- b. provide wider horizon among students and teachers into application of technology to research;
- c. develop competent teachers to teach robotics;
- d. enhance and discover new talents of students and teachers in the field of robotics;
- e. lessen the expenses of the government in conducting robotics trainings for teachers; and
- f. prepare the students and teachers for national and international competitions in robotics.

The participants in this activity are secondary students nationwide.

A registration fee of Two Hundred Fifty Pesos (PhP250.00) shall be charged each student to defray expenses for the transportation of equipments, devices, and services of the technical crews and trainers. Twenty Pesos (PhP20.00) from the said amount will be given to the school to defray expenses for electricity when the equipment will be utilized.

For more information, please contact the Educational Production Management Services at 293 Sarmiento St., Mabini Extension Cabanatuan City at tel. no.: (044) 600-4488; mobile phone no.: +63-920-460-7907; e-mail address: emps.plnet@gmail.com
