### **INVITATION TO THE KALININGRAD STATE TECHNICAL UNIVERSITY**

The Kaliningrad State Technical University in Russia, in coordination with the Philippine Embassy in Moscow, invites interested high school applicants to get maximum training in the fields of vocational courses such as Fishing and Fish Production, Mechanical and Technological, Ship Building and Energy, Automation and Control, and Finance.

The University also offers post-graduate courses and the study of the Russian language. More than 1,200 students from Europe, Asia, Africa, Northern and Latin America have passed its many educational and training programs.

The University is provided with textbooks and manuals for all grade levels. It has a huge collection of multimedia materials with regional character which are intended for foreign students. It is also equipped with sports and recreational complexes where students can spend their leisure hours.

For more information regarding the courses offered, cost of training, and documents needed, visit e-mail at: [kln@klgtu.ru](mailto:kln@klgtu.ru), and [galyga@klgtu.ru](mailto:galyga@klgtu.ru); or visit website: [www.klgtu.ru](http://www.klgtu.ru).
