E-TRIKE (Electric Tricycle) DESIGN CONTEST

The Department of Energy (DOE) will conduct the **E-Trike (Electric Tricycle) Design Contest** with the theme *“Bright Now! Do Right. Be Bright. Go-E-Trike!”*

The Contest aims to promote the innovation and ingenuity of the Filipinos in creating the Philippine version of the so-called “green vehicle.”

The contest is open to all Filipino citizens of legal age (18 years old and above) whether individual or group residing in the Philippines. The contestant/s must generate 2D and 3D computer-aided drawings (AutoCAD) of the best aesthetic and functional design for the future Philippine E-Trike look.

The entries should feature a design that can accommodate a maximum of six (6) passengers excluding the driver. It must also be a three (3)-wheeled electric vehicle. Examples of three-wheeled electric vehicles and other detailed information on the contest can be viewed at the DOE website at <http://www.doe.gov.ph>.

The deadline for submission of entries is on **February 17, 2012**.

For more information, interested individuals or groups may contact the DOE at any of the following telephone nos.: (02) 840-2214 or (02) 479-2900 local 209.
