ENVIRONMENT AND ASTROPHYSICS SEMINAR-WORKSHOP 2012

The University of Asia and the Pacific (UA&P) through the Center for Research and Communication (CRC) will conduct the **Environment and Astrophysics Seminar-Workshop 2012** by cluster on the following dates and venues at the major Science High Schools nationwide:

| Cluster | Date | Venue |
|-------------------------------|-------------------|---|
| National Capital Region (NCR) | April 20-21, 2012 | UA&P, Pearl Drive, Ortigas Center, Pasig City |
| Luzon | April 26-27, 2012 | Baguio City |
| Visayas | May 3-4, 2012 | Bacolod City |
| Mindanao | May 17-18, 2012 | Cagayan de Oro City |

The Seminar-Workshop aims to:

1. reinforce and increase the participants' knowledge on current issues on environment such as climate change, energy and transport; and
2. update and deepen their understanding and appreciation of the entire physical universe as an extension of their environment.

The participants to this activity are secondary science teacher from both public and private schools nationwide. Participants per cluster will be limited only to eighty (80) high school teachers of Science.

The seminar-workshop is *free of charge* and the participants will be provided with lunch and snacks during the seminar-workshop. However, they will shoulder expenses for transportation, meals (dinner) and boarding allowance.
