**PROGRAMS AND PROJECTS OF THE PHILIPPINE FOUNDATION
FOR SCIENCE AND TECHNOLOGY (PFST)**

The Philippine Foundation for Science and Technology (PFST) has designed programs and projects to promote science and technology consciousness among the youth and various sectors of society.

The Programs and Projects are the following:

1. **Philippine Science Centrum (PSC).** This premier science center museum which unfolds new exciting process of alternative learning through the use of integrative and interactive exhibits is located at E-Com Building, Riverbanks Center, *Barangka*, Marikina City, and is open from Mondays to Saturdays, 8:00 a.m. to 5:00 p.m.;
2. **Philippine Science Centrum Traveling Exhibitions – (1) Adventures in Discovery (AID); (2) Sci-Fun Caravan (SFC); (3) Science on the Move (SOM); (4) Science Works! (SW); and (5) Science Sparks! (SP).** These are traveling science exhibitions featuring replicas of PSC's popular interactive exhibits which primarily aim to reach the various individuals communities, academic institutions and organizations in the countryside;
3. **Trainings, Seminars and Workshops for Teachers.** These activities are for science teachers either in the elementary or secondary level, introducing the interactive and integrative approaches/strategies in teaching science and science-related subjects; and
4. **Science Centrum Fabrication, Inc. (SCFI).** This is an exhibit fabrication unit of PFST for interactive exhibits with technical capability of developing, prototyping, fabricating and/or manufacturing interactive exhibits and other paraphernalia for the promotion and development of science and technology.
