13<sup>TH</sup> NATIONAL ANNUAL CONVENTION OF PHILIPPINE ACADEMY  
OF PHYSICIANS IN SCHOOL HEALTH, INC. (PAPSHI)

The Philippine Academy of Physicians in School Health, Inc. (PAPSHI) will hold its 13<sup>th</sup> National Annual Convention with the theme “*Effective School Health Promotion: A Key to A Healthy School Community*” on May 21-22, 2012 at the *Bayanihan* Center, United Laboratories, Inc., Pioneer St., Mandaluyong City.

The Convention generally aims to establish the relationship between the effective school health promotion and the improvement of school health status. The specific objectives are to:

1. emphasize to the participants the importance of health promotion for the school populace;
2. provide them guidelines on promoting fitness among school staff;
3. provide them a forum/venue for discussion on periodic health examination of faculty and staff;
4. present to them the standards for health assessment of school children; and
5. address the concerns of educational institutions regarding children with ADHD, Autism and Error of Refraction (EOR).
