INVITATION TO JOIN THE ZAYED SUSTAINABILITY PRIZE-GLOBAL HIGH SCHOOLS CATEGORY OF THE UNITED ARAB EMIRATES GOVERNMENT

The United Arab Emirates (UAE) government invites participants to join the Zayed Sustainability Prize–Global High Schools category.

This prize will be given to global high schools from six geographic regions that can demonstrate impact, innovation and inspiration to enable inclusive and equitable access to quality education. Schools must propose projects that can be implemented within 12–24 months with tangible outcomes in the areas of sustainable energy, water, food and health. The projects need to be designed to deliver positive educational impact, including access to quality education, and to ensure that students are given key skills and enhanced abilities to achieve their goals. Ideally, projects should demonstrate new and innovative approaches and be inspirational for others. One school will win in each of the six regions:

1. The Americas,
2. Europe and Central Asia,
3. Sub-Saharan Africa,
4. East Asia and Pacific,
5. South Asia, and
6. Middle East and North Africa (MENA).

The category is open to all high schools with students between 11–19 years old. The application must be supported by the school and its management.

Details regarding the prize and entry qualifications are available through the website <https://zayedsustainabilityprize.com>.

The deadline for submission of entries is on August 9, 2018.
