Dear **Director Garma**,

This pertains to the planning and integrating the teaching of PhilHealth Learner's Materials for DepEd in the subject curriculum of students.

A two day training for MAPEH coordinators will be held this coming May 11-12, 2017 at PhilHealth Regional Office III.

In line with this, we would like to request for the names of the MAPEH coordinators and supervisors per school division as some of them will be invited to attend the said training.

Hoping this request will be given favorable action from your end.

Thank you

Very truly yours,
