Dear **Dir. Garma**:

Greetings from the Commission on Population (POPCOM) Region III!

In order to help promote Adolescent Health and Development among youth both in-school and out-of-school, POPCOM has initiated the AHYD Film Festival in 2015 participated by all regions in the country last year. With the success of the said event, POPCOM has decided to institutionalize the Film Festival every year, producing films focusing on AHD-related issues and concerns in hopes of addressing the situation through information and education.

To reach out to the intended audience, POPCOM III sees the need to disseminate the AHD films through a focus group discussion among in-school youth in coordination with the Department of Education (DEPED). Hence, POPCOM III is scheduled to conduct a training of trainers on the Dissemination of AHD films on June 28, 2017.

The activity shall focus on training the participants how to conduct the focus group discussion among the youth using the AHD films. The activity shall also include action planning for divisions to roll-out the information to their respective schools.

In line with this, may we invite your RPTWG focal person and one representative from each of the twenty DEPED Division Offices of Central Luzon on June 28, 2017 at Grace Crown Hotel, Angeles City. Registration starts at 8:00 AM and the first meal to be served shall be AM snacks. Meals and training materials shall be covered by POPCOM III while transportation, per diem, and other incidental expenses shall be covered by the sending agency/division. ||

For inquiries and clarifications, please contact Mr. Adreal Denver C. Monterona at 045-455-2002/1993 or 0933-018-4757.

Thank you very much and we look forward to your favorable response on this matter.

Very truly yours,

ELEANOR M. CURA
Regional Director
