**PHILIPPINE NORMAL UNIVERSITY LIBRARY AND INFORMATION SCIENCE  
ALUMNI ASSOCIATION (PNULISAA), INC. SEMINAR-WORKSHOP**

The Philippine Normal University Library and Information Science Alumni Association (PNULISAA) Inc. will conduct a three-day seminar-workshop with the theme, "*Building the Culture of Research Partnership Between the Librarians and the Administrators*" on September 8-10, 2010 at the Local Government Academy Training Center, UP Los Baños, Laguna.

The objectives of this activity are to:

- a. enhance the knowledge and skills of the participants on the trends in conducting research related to library science and its functions;
- b. update their knowledge and skills on the use of digital world or worldwide web as one of the tools in doing research work;
- c. provide awareness on applicability of copyright law to librarianship research and its implications;
- d. reiterate the role of the administrators in giving support to the librarians who are engaged in doing research work; and
- e. appreciate and value research as a tool in generating information related to library science.

The participants to this activity are administrators, professionals and non-professionals, library and information personnel working in all types of libraries.

The registration fee, which covers accommodation, meals, seminar kit, handouts and certificate, is as follows:
