**EDU QUAD 2011**

The University of Santo Tomas (UST) will celebrate its quadricentennial anniversary in 2011. One of the scheduled activities during this momentous event is the **Edu Quad 2011**, an international conference on February 16-18, 2011 at the Manila Hotel.

The conference aims to provide a venue to:

- a. share best practices among the participants in e-learning from classroom to institutional levels;
- b. discuss and critique pedagogical and andragogical applications of e-learning among the participants;
- c. promote better academe-industry collaborations;
- d. strengthen linkages and partnerships between and among institutions with common targets, interests and expectations; and
- e. promote continuing research and publication in the areas of education technology, e-learning and teaching, and 'e-nnovations'.

The administrators, scholars, researchers and educational technologists from both the academe and industry are invited to attend this activity.

The following are the registration fees:
