PHILIPPINE ASSOCIATION OF CHEMISTRY TEACHERS (PACT)
SEMINAR-WORKSHOP

The Philippine Association of Chemistry Teachers (PACT) will hold the seminar-workshop on gold, entitled: **Our Wealth in Gold: Bounty, Economy, Environment** on February 19, 2011 at the FUSE-LCT, Pearl of the Orient Tower, Roxas Blvd., Malate, Manila in celebration of its 50th founding anniversary and Chemistry Week on the same date.

The seminar will focus on the economic, geological and chemical perspectives of gold, a precious metal found in large deposits in the Philippines, and are meant to provide knowledge and appreciation of the importance of gold in our country, and in the world.

The participants in this seminar-workshop are secondary and tertiary level chemistry teachers.

The registration fee for this activity is Eight Hundred Pesos (PhP800.00) for PACT members and One Thousand One Hundred Pesos (PhP1,100.00) for nonmembers, to be paid on or before February 11, 2011.

For more information, contact Dr. Myrna S. Rodriguez, Associate Professor of Chemistry, UPLB and President, PACT, at the Institute of Chemistry, College of Arts and Sciences, UPLB, College, Laguna at telefax no.: (049) 536-2241; e-mail address: pactsec@gmail.com or visit website: www.pinoychemteacher.org.
