**MICROSOFT PARTNERS IN LEARNING INNOVATIVE  
EDUCATION FORUM 2011**

The Microsoft Partners in Learning Philippines will hold the Innovative Education (IEF) Forum 2011 on February 3-4, 2011 at the SMX Convention Center, Mall of Asia, Pasay City.

The IEF 2011 is a showcase of educational solutions. It aims to bring the Filipino student's learning experience to a higher level by integrating technology and introducing innovative teaching methods.

The objectives of this event are to:

- a. collaborate among educators to drive innovative programs and best practices in education;
- b. share tips and tricks on how to engage students, make learning fun and simplify the lives of educators by incorporating technology into teaching and learning; and
- c. celebrate the creativity and innovation in education.

The conference agenda will encompass the theme of motivating learners through ICT and will include the launch of the Global Filipino Schools and the 6<sup>th</sup> Innovative Teachers Leadership Awards Competition.

All public elementary and secondary school heads/administrators, teachers and ICT coordinators are invited to attend this activity.

Registration fee is **free**. This includes the conference kit, resource materials from the sessions, and certificate of participation. The first five hundred (500) participants to receive confirmation either via e-mail, fax or SMS will be accommodated.
