PHILIPPINE ASSOCIATION OF CHEMISTRY TEACHERS (PACT), INC.
GOLDEN (50TH) ANNIVERSARY ANNUAL CONVENTION

The Philippine Association of Chemistry Teachers (PACT), Inc. will hold its **Golden (50th) Anniversary Annual Convention** with the theme “*Strengthening Bonds, Catalyzing Change: From the Chemistry Classroom to the Community*” on October 27-29, 2011 at the Thomas Aquinas Research Complex, University of Sto. Tomas (UST) España, Sampaloc, Manila. The convention’s subtheme is “*PACT to the Future!*”

The activity will focus on the following activities:

1. plenary lectures and discussions on future concerns amidst the changes in the educational system;
2. identifying research opportunities and collaborations for the secondary school chemistry teacher;
3. oral and poster paper presentations on chemistry education including results of investigative researches, innovations for classroom/ laboratory instruction and on environmental chemistry;
4. talks and exhibits on advocacies and/or activities of various government and nongovernment agencies which would provide useful links that would make chemistry teaching more relevant to current issues;
5. hands-on activities relevant to chemistry; and
6. tour in the UST heritage sites and viewing of the exhibits in celebration of the University’s 400th year.

The participants to this convention are chemistry teachers from both secondary and tertiary levels.
