### **TEACHER TRAINING PROGRAM**

The Biology Teachers Association (BIOTA)-Philippines, Inc., in cooperation with the University of San Carlos (USC)-Talamban Campus will hold its **Teacher Training Program** on October 17-22, 2011 at the USC-Talamban Campus, Nasipit, Talamban, Cebu City.

The activity aims to:

1. enhance the knowledge of undergoing in-service training teachers on core and special areas in the biological sciences;
2. provide them with cellular and molecular explanations on biological concepts; and
3. introduce to them the importance of research as an integral part of Biology teaching.

The teachers, professors and researchers in the different fields of Biology of elementary and secondary schools from both public and private schools, and from other educational institutions nationwide are invited to attend.

Each teacher-participant will be charged a preferred pre-registration or on-site registration fee of Four Thousand Five Hundred Pesos (PhP4,500.00) to cover lunch, training materials and kit, speakers' fees, venue rental, certificate, snacks, and lunch. The live-in participants will be charged Seven Thousand Three Hundred Pesos (PhP7,300.00), exclusive of dinner and breakfast.
