2012 MILLENIUM YOUTH CAMP

The Technology Academy Finland and the Finnish Science Education Center LUMA will hold the **2012 Millenium Youth Camp** with the theme "*Climate Change, Renewable Natural Resources and Energy, Water, ICT and Digitalisation, and Applied Mathematics*" on June 9, 2012 at the Heisinki Metropolitan Region, Finland.

The activity aims to encourage young scientists to network at an early age stage in their careers and help them launch a career in science or technology.

The Millennium Youth Camp welcome students from all continents. During this camp, about 30 talented and young people from different parts of the world will meet for a week to work together on different projects on Mathematics, Science and Technology.

The Camp is open to anyone born between 1993-1996 is eligible to apply for a place in the 2012 Millennium Youth Camp. The applicants must have a good English language skills as the camp programme and all related materials are only produced in English.

The participation is free of charge. The organizers will take care of all costs, including flight tickets and other travel and accommodation expenses.

The application process has the following phases:

- a. During the **First Phase**, the eligible applicants may apply using the on-line application form. The names of the 100 applicants for the second phase of the application process will be published on February 1, 2012, and they will be given a period of four (4) weeks to produce project plans. Some applicants will be interviewed by telephone in connection with their proposals. In order to apply, please use the address below to access the on-line application form:
<https://elomake.helsinki.fi/lomakkeet/29968/lomake.html>
- b. During the **Second Phase**, the 300 camp-participants will be selected by a steering group consisting of representatives of Finnish higher educational institutions and Millennium Youth Camp partners. The names of the successful applicants will be published on March 15, 2012. The participants to the 2012 Millennium Youth Camp will also be notified by e-mail.

For more information and clarifications, contact **Ms. Riikka Öörni**, Project Coordinator or send her a message through e-mail address: riikkaoorni@technologyacademy.fi; or visit the website: <http://technologyacademy.fi/millennium-youth-camp.fi.html>.
