THE MIND MUSEUM AT TAGUIG

The Bonifacio Art Foundation under the Fort Bonifacio Development Corporation (FBDC) announces the exhibits and educational programs in science education at “The Mind Museum at Taguig.”

The main objective of the Museum is to push science education in the Philippines to new heights through its exhibits and educational programs.

The Museum consists of five (5) main galleries: *Atom, Earth, Life, Universe and Technology*, containing over 250 *hands-on, minds-on interactive exhibits*. An outdoor, *Science-in-the-Park* will feature four (4) main play pockets: *Water, Math, Music, and Living Pockets*.

The pupils, students, teachers and parents from the elementary and secondary schools are invited to visit these exhibits.

For more information, interested individuals may contact:
