14TH NATIONAL PHYSICS CONFERENCE OF THE SAMAHANG
PISIKA VISAYAS AT MINDANAO (SPVM)

The *Samahang Pisika Visayas at Mindanao (SPVM)* will conduct the 14th National Physics Conference on October 25-27, 2012 at the University of Cebu Maritime Education and Training Center, Cebu City.

The Conference will serve as the venue for active dialogue between the Filipino physics researchers or experts (with physics teachers and students) and foreign experts.

The topics to be discussed are the following:

1. International Activities for Physics Development Programme;
2. Establishing International Collaborations in Physics Development: IOP Thrusts;
3. Recent Advances in Mesoscopic Physics and Nanoelectronics;
4. Bioelectrochemical Imaging with SECM-SICM Hybrid System;
5. Physics Curriculum Development Initiatives in the K to 12 Program in the Philippines; and
6. Recent Advances in Condensed Matter Physics.

The target participants to this activity are physics teachers and students nationwide.

For more information, interested individuals may contact:
