The call for the Upgrading of the Salary of the Public School Teacher from Salary Grade 11 to 15 under House Bill No. 2142, has yet to be discussed and deliberated in the Committee Level as well as in the Plenary of the House of Representatives at the 15th Congress which will end in a few months. The National Capital Region (NCR) participants will converge at the corner of the *Batasan Road* and *Commonwealth Avenue* to hold a mass delegation towards the *Batasang Pambansa Complex*.
