#### GLOBAL WEEK OF ACTION (GWA) FOR CHILD HEALTH NOW

The World Vision invites the Department of Education (DepEd) to join the First Global Campaign entitled *Global Week of Action (GWA) for Child Health Now* on November 13-20, 2012.

The Campaign aims to:

1. attract and increase global attention to the urgent need to end preventable deaths of children under five (5) around the world; and
2. call on governments and supporters to play their part in a global movement that ensures children have access to nutritious food, clean water, and life-saving health services.

The participants shall raise their hands in solidarity, holding up five (5) fingers to indicate the crucial birthday for child survival. The participants shall say “*Count me in to help children survive 5!*”

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
